ADDENDUM NO. 1

Addendum Date: April 17, 2014
Request for Proposals ITB 14-0213

COLLECTION AND DISPOSAL OF WASTE FOR VARIOUS COUNTY FACILITIES

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid from being considered for award.

This addendum does NOT change the date for receipt of bids or proposals.

INFORMATIONAL NOTICE:

The Solid Waste Collection and Disposal for County Facilities solicitation is intended to provide unit pricing for the collection of trash and recycling to various County facilities. Section 2 states that "A list of facilities to be serviced is provided as attachment 3 to this solicitation". This statement is technically incorrect. The list of facilities given in attachment 3 is merely provided for informational purposes to show what the County's current uses are. No guarantee is expressed or implied as to quantities or dollar amounts that will be used for this project. It is not likely that facilities located in cities will access the agreement for waste disposal services. It is possible that such facilities may access the agreement for recycling services.
